Executive Secretary  
Training Selection Board

The first phase of the Tenth Meeting of the Training Selection Board met in Executive Session on 25 and 26 August 1965 [REDACTED]. During these two days the Board members reviewed and evaluated the official personnel folders of the fifty-two employees nominated by the Office of the DCI and the four Deputy Directors for attendance at the 1966-67 sessions of the Senior Officer Courses. On the basis of this evaluation some individuals were eliminated from further consideration. Four half-day interview sessions were then held during the period 7 through 10 September 1965, for the remaining nominees who were available at Headquarters. Following these interviews the Board recommended thirty-three candidates to the Deputy Director of Central Intelligence for his approval, and on 28 September 1965, he approved all candidates as presented. Each Deputy Director was subsequently notified by memorandum which of his original nominees were selected and which were not selected.
